## About the Green Chambers Project

GreenChambers Erasmus+ project is a project aimed at providing Chambers of Commerce with higher capacity to assess their SME members in the development of Environmental, Social and Governance (ESG) strategies.

The priority addressed is the adaptation of the VET to labour market needs.

As the main topic of GreenChambers is the development of ESG strategies, our third and main priority is the environment and fight against climate change.

# Dublin: Kick-off Meeting

24<sup>th</sup> – 25<sup>th</sup> February 2023

First Working Seminar of GreenChambers project.  
2 days of discussion and learning about ESG competences of the future trainers.

# Valencia: Second Partnership Working Seminar

6<sup>th</sup> – 7<sup>th</sup> June 2023

- Debate and discussion on the results of the FocusGroups by MEUS;
- ESG competences and related initiatives, (ESG-UP and SIMPLE projects), by Gospodarska Zbornica Slovenije and Dublin Chamber of Commerce;
- Definition of ESG;
- CSR Directive and the obligations of SMEs, EFRAG standards
- Agreements for the GreenChambers training, with description of the methodology, length, level, and evaluation system.

## Objectives of the Project

### In the meantime (April 2023):

The focus group results revealed that it is advantageous for an ESG trainer to have the work experience in the following fields:

- Experience in the area of business & entrepreneurship
- Experience in businesses with successful implementation of ESG
- Corporate Social Responsibility
- Experience not only in environment, but also in social and governance pillars.
- Industry-specific experience
